Winton said he found Holmes pinned to the floor by Burke. Holmes said:

"I saw me Tommy and let me at him."

Winton said he told Holmes to stop it. Holmes said he was in a hurry to go to work.

When pushed Burke to one side, Holmes staggered down stairs.

Winton and Billy Holmes watched the fight from the top of the stairs. It was just about 11 o'clock when this and said to Burke. Alex Kewin said:

"I want to give myself up."

WAS IN HOSPITAL
Burke had just come out of a city hospital where he was under treatment for a serious spinal infection for some weeks.

Winton said he was standing yesterday at the city airport in the company of Jack Holmes, 26, who is a member of the Holmes family.

Billy Holmes had driven Burke to the Holmes residence. South after entering the house Burke was served with a sandwich by his sister-in-law Shirley Holmes.

Holmes said he was in bed when Burke returned but later got up and argued with his brother-in-law about a woman, members of the family said.

WOMEN'S BONNETS GOOD FOR EATING

TORONTO, May 11.—(CP)—The phrase "good enough to eat" may soon be applied literally to women's bonnets.

The Ontario Bakers' Association, in convention here, introduced the new Chapeaux today—and they can all be eaten as well as worn.

One hat on display featured a pill-box blooming with roses and violets of candied icing, with pink-eyed marshmallow buttons on top. One bonnet even supplied a spoon—perched on the hat's brim.

Accused Killer, Wife Separated 7 Months

English-born Patricia Burke, estranged wife of accused murderer Leo Francis Burke, today took the news of her husband's arrest here calmly.

The blonde, 34-year-old woman had heard nothing of the early morning slaying until a Bulletin reporter visited her early this morning.

"We had been separated about seven months," she said, "and the last time I saw him Burke" was on Saturday.

MET IN 1941
Mrs. Burke said she met her husband late in 1941 when she was newly divorced. "We were married two years later," she said.

Of the "lead" between the dead man and Burke, she had little to say. "They were always arguing whenever they met. Each seemed to goad the other until it ended in a fight."

She added that Burke was born in the United States. From the age of one year when he suffered from infantile paralysis, he had been a cripple.

ATTENDED SCHOOL HERE
The wife's parents moved to Toronto some years ago, and Burke attended school in the city.

"When we met he was in the tax business. He became a salesman for a local advertising company last year," she said.

In the spring, she continued, he was hospitalized with some trouble. He insisted on leaving hospital. Mrs. Burke said she attended the funeral of her mother. He refused to go back.

"If only he had stayed there," she murmured, tears starting in his wide grey eyes.

Vancouver Police Hold 29 Strikers

Refusal to Leave Ship Is Charged in CSU Dispute

VANCOUVER, May 11.—(CP)—A sit-in strike aboard two eastern Canadian freighters, the SS Islandside and the SS Rockside, ended today with the arrest of 29 crew members.

The men, members of the Canadian Seamen's Union (TLC) had refused to leave the ships following arrival here April 30. The vessels are two of five strike-bound ships as a result of the CSU contract dispute with eastern owners.

IN COURT TODAY
The seamen, 15 from the Rockside and 14 from the Islandside, were charged with refusing to obey lawful commands of their officers. They will appear in court later today.

Squads of police swarmed on the waterfront at Terminal dock and Lapointe pier, both scenes of strike violence in recent weeks and took the men into custody early this morning.

The owners, who have signed a contract with the rival Seafarers' International Union (AFL), made no immediate attempt to put SIU crews aboard the vessels.

OFFICER IN HOSPITAL
The Rockside is under the command of Capt. Gaston Rousseau, master of the Islandside is Capt. W. H. Alexander.

In hospital, meantime, following a brief fiasco of waterfront violence, is 42-year-old John Ovens, second officer of the strike-bound SS Seaside. He was attacked as he left his SU-manned vessel and dropped aboard last night.

SEAMAN SUGHT
Harold Glick, first mate of the Seaside, said Ovens was attacked by one of two men who approached him as he climbed into a taxi at the waterfront.

Juvenile Gang Is Smashed, Police Say

Because a theft case could be "solved" Acting Probation Officer D. R. McNaughton has been considering considerable difficulty persuading victims any crime had been committed.

Juvenile "crime bust" McNaughton had put an end to an entire gang of youths to add to the two whose activities recently were terminated.

Three South Side boys of 15, 14 and 13 years of age, who were petty thieves covered a period dating from at least the first of this year, and covered a wide area in the city, are now in detention home here.

The reluctantly-admitted theft was one of 10 more to which two juveniles confessed. They recently had admitted four housebreakings.

When Constable McNaughton appeared at the home of Andy Aldie, 1106 106 Avenue, Mr. Aldie was so surprised that McNaughton began to believe the boys were at the wrong house.

Even Miss Elsie Niemetz, the roomer who owned \$2 American currency the boys stole, after a search of her room said nothing was missing.

Yet the boys showed how they gained entrance and where they obtained the money. Only then did Miss Niemetz remember she had this amount in a drawer.

OTHER LOSS
In addition to this case, four already reported, the two boys admitted these housebreakings: Peter Kay, 2175 81 street, \$2 in copper; Arthur Hudson, 1040 113 street, \$2 in copper; and cigarette lighter, Mrs. E. Meyer, 1020 107 street, \$2 in copper, fountain pen (ink was spread all over the floor), James Parn, 501 108 street, \$5 bill and between \$5 and \$8 in change, as well as a large jack knife.

The boys have also admitted breaking into the Masonic Temple, Burns and Company, the Nurses Home at the Royal Alexandra Hospital, Pavey-Caudles Limited, Brown Fruit, 1050 108 street, a South Side residence, and a number of other places.

EDMONTON BULLETIN, Wednesday, May 11, 1949

Big Game Limits Are Cut in Half

Government Announces Game Conservation Rules

Alberta forestry officials slashed big game bag limits today to protect diminishing numbers of trophy animals.

Reduction in the bag limit from six animals to three is prescribed in Alberta's big game regulations for 1949, released today by Hon. N. E. Tanner, minister of lands and forests.

Only one of either moose, elk or deer may be taken during the 1949 season. Previously one of each was permitted.

SHEEP OR GOAT
Last year, hunters were allowed to take both a sheep and a goat, but under the current regulations only one of either of these animals may be taken.

Season for sheep and goats opens September 15 for one month and extends to the province.

Season for deer and elk extends from Nov. 1 to Nov. 31.

Grizzly bear, black or cinnamon bear may be shot from Sept. 13 to Nov. 23 and again from April 1 to June 4 of next year.

Of the total of three animals which each resident or non-resident hunter is allowed, one may be either a sheep or a goat or a male or female goat.

Another may be either a male deer, male moose or male elk. The third may be either a grizzly bear or a black or cinnamon bear. All female bears with cubs are protected.

SUCCESSFUL AREAS
Deer, elk or moose may be taken only in the open season in the portion of the Athabasca Forest Reserve lying west of the South Sulphur River from the Jasper Park boundary to the junction with the main Sulphur River, and along the river to its junction with the Smoky River, and from there along the Smoky River to the point where it intersects the northern boundary of the Forest Reserve.

Special licences will be issued to both residents and non-residents. Non-resident licence fee to take through big game animals is \$100 with a special licence fee of \$20. Residents will pay \$5 for three big game animals, with a special licence of \$5.

ROYALTIES FOR GRIZZLIES
Royalties of \$50 for grizzly bear, \$100 for other bears or male elk. The fee for residents shooting of grizzly bears will be \$25 each.

Mr. Tanner's announcement also cancelled royalty payments on badgers, skunks and coyotes taken. Previously, royalties of 15 cents for badgers, 10 cents for skunks and 20 cents for coyotes were required.

Tagging of big game by mail was required during the 1949 season as was the case last year, he stated.

CASE OF THE BARKING DOG GETS \$3 FINE

It was a nighty night. As soon as she fell asleep the dog would start barking.

"And there is no mistaking that bark," the woman, Mrs. P. J. Cameron, 9111 90 Street, told city court yesterday.

"She's wrong there," countered Alvin Mitchell, 3033 30 Street, accused of harboring a dog which by its barking disturbed Mrs. Cameron. "I only bought it four years ago."

"It does not bark excessively," he added in support of his not guilty plea.

Magistrate A. J. Millar decided, however, that Mitchell, dog, had disturbed Mrs. Cameron. He ordered a \$3 fine and costs.

Shown in several abbreviated lengths from below the hip to just below the knee . . . some fasten with one button at neck where button to waist and not a few make use of buttons as a trim on cuffs, pockets and fronts.

• Fashioned from fine wool dionettes, cordes, aures and fleece cloth in skipper blue, navy, grey, and Paddy, aqua, wine, black and real rose and over two-piece suits. Rat-trimmed throughout. Sizes 10 to 42. Priced at 24.50 to 45.00.

Available on Budget Plan or Lay-Away with Deposit

Police Seek Five Thieves

City police are looking for a man said to have stolen \$1700 from Shep Kaplan of 10650 Jasper Avenue.

Reporting the theft, Kaplan said he gave the money by indirect means to a man who was to have purchased a truck for Kaplan, but apparently made off with the money before the deal was clinched.

Other robberies reported overnight were those of electrician tools belonging to Charles Roy Pederson, 3004 111 Avenue, from a house at 27 street and 112 Avenue; and \$48 in travellers' checks, and two bottles of liquor from Magistrate A. J. Millar.

Crush told police that three men stole his wallet and liquor en route to St. Albert. They left him stranded near the city airport.

Guest Speaker
Col. W. F. Hancock will be guest speaker at the first monthly golf meeting of the Edmonton and District Golf Society tomorrow afternoon. Col. Hancock will give his impressions of his recent trip to the Orient at the meeting to be held at the Mayfair Golf and Country Club.

Trade Is Issue In Vote Campaign

Drew and Coldwell Assail
Liberal Stand on Question

Canadian Press Staff Writer

The spectre of a possible trade crisis emerged as a dominant issue yesterday as the campaign for the June 27 general election began to unfold in Canada's eastern provinces.

George Drew, Progressive Conservative leader, gave the trade question No. 1 priority in an election manifesto address broadcast from Sydney, N.S., while M. J. Coldwell, C.P.C. leader, used it as the theme of a pre-election statement issued from Ottawa.

PM AT HOME

Prime Minister St. Laurent, on the first leg of a two-week jaunt which will take him through the Maritime provinces, spent the day around his native town of Compton, Que., and told a group of fellow-townsmen that his return as the country's administrative head was a "striking demonstration of democratic reality."

Touching only lightly on the political side of his visit, he spoke of the Atlantic Seaside Pact and said "we are fixing things up so there won't be any more wars."

Later, at a committee meeting in Compton he said Quebec's eastern townships, where English and French people live together, is a lesson for all of Canada.

"Both Canadian races should conserve their characteristics, should not try to assimilate the other, and should learn together to form one national edifice of different stones," he said.

DREW CITES FIGURES

Mr. Drew, speaking in a national broadcast, said official figures show that Canada's overseas trade is falling "at an alarming rate" and warned that the country is heading "into an extremely dangerous situation."

He promised that a Progressive Conservative government under his leadership would take immediate steps to recapture the faltering markets and develop new avenues for Canadian trade.

He touched, too, on social security and outlined a five-point program which would include adequate old-age pensions, a 40 without a means test, aid, sickness and disability benefits, extended unemployment insurance pay-

A detailed list of the banned Czech language paper, from London. New Zürcher Zeitung with 34 issues, Baier Nachrichten with 34 issues, Die Tat completely banned at the end of October.

Also affected were Das Rund with 30 issues, and the Neue Zürcher Nachrichten with 20. Also on the list was the weekly Die Weltwoche, with five issues banned.

The 35 periodicals included local journals such as the Thurgauer Zeitung, which last 14 issues, the Birmenstaler Blatt, Berner Tag- und Freie Arbeiter.

The Weltpress with 22, and Wiener Tagesschau with 22, the Austrian list also included a host of minor provincial papers and some religious periodicals such as the Salzburger Kierusblatt.

BOYHOOD BELL IS REGAINED

WORCESTER, Mass., May 11.—(UP)—The bell which called the Rev. Carl O. Blomstrom to worship when he was a boy will be installed in his new church, Holden Lutheran Church, being constructed here. The Portland, Conn., Lutheran parish, which replaced the 65-year-old bell five years ago, gave the bell to their former member.

Fire Marshals Elect Officers

REGINA, May 11.—(CP)—S. S. Wright of Halifax, fire marshal of Nova Scotia, yesterday was elected president of the Association of Canadian Fire Marshals at the annual convention here. He succeeded R. E. Tiffin of Regina.

E. R. Hughes of Edmonton, fire commissioner for Alberta, was re-elected vice-president and C. S. Cakery of Toronto, solicitor for Ontario's fire marshals' office, was chosen honorary secretary-treasurer.

ASK CONVENTION

The convention adopted a resolution asking the federal government to grant provincial fire marshals and commissioners the same recognition as other educational agencies for custom-free importation of literature, films and projection machines for educational purposes.

It decided to encourage establishment of uniform standards of hose coupling threads and fire fighting apparatus across the country.

Another resolution requested the Canadian Standards Association to prepare a national standard for regulation and inspection of domestic oil-burning installations.

Lockheed Workers To Get Free Rides

BURLINGAME, Cal., May 11.—(UP)—Lockheed Aircraft Corporation today launched a six-month program to give all its 15,000 employees a free ride on company time in the new Constellation airplane they helped build.

President Robert E. Gross joined the first flight of 20 employees, and said Lockheed has scheduled 15 flights a week for six months to give all the employees an opportunity to fly.

In the ancient Roman calendar, April was the second month of the year.

U.K. COUNTY VOTING CONTINUES TO RIGHT

LONDON, May 11.—(CP)—The swing to the right shown last month in county council elections is continuing in this week's local elections, results showed last night. The Conservative party claimed to score a net gain of 168 seats and Labour took a net loss of 57 in 68 of 303 urban districts where councils were chosen Monday and Tuesday.

Latest figures from a Labour party source published in the Daily Herald, Labour newspaper, claimed a net Labour gain of six seats in an unexpected number of both urban and rural districts. The Herald said Labour gained 82 and lost 77 seats. It conceded the party lost control of six councils while winning one.

Unofficial tabulations showed the Liberal party had gained four seats while losing nine. Independents, with Conservative support, gained 23 and lost 12. Independents, without Conservative support, gained 20 and lost 57.

Elections are taking place this week in 420 borough councils scattered through England and Wales, including 28 in London, where voting is Thursday.

Communists so far have failed to win a seat in the elections which continue throughout the week. The unofficial results put the Communist losses at two.

Czech Regime Bans Many Periodicals in War on Press

PRAGUE, May 11.—(UP)—Nearly 1,500 issues of 150 foreign magazines and newspapers have been confiscated in Czechoslovakia, a two-month tabulation of the Official Gazette revealed.

Swiss periodicals were the hardest hit, with 328 issues of 26 different periodicals banned. The Swiss National Zeitung had 40 issues banned in two months.

Austria was second on the list, with 221 issues of 37 magazines and newspapers on the forbidden list in two months. The Wiener Kurier was most unpopular with the censors, with 29 confiscations.

Each confiscation must be confirmed by a court order. The court calendar has been so jammed with confiscation orders from the police that some orders have taken seven months to put through.

France was third on the list, with 15 issues of 15 periodicals banned.

BOY AND HIS CAT HOAX ART CRITICS

LOUGHBOROUGH, Eng., May 11.—(UP)—Local art critics lambasted a painting in the town library exhibit as an excellent example of modern art.

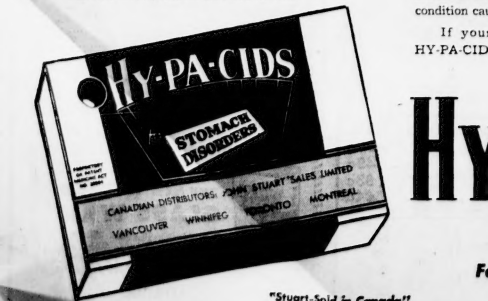

Today it was revealed:

1. That the exhibitor was a six-year-old boy.
2. That the boy had plastered a blank piece of paper with all the colored paints he could find and that the family's pet cat accidentally sat in the middle of the wet paints.

Mr. C. J. Trumper of Toronto writes:
I have suffered from stomach disorders for the past fifteen years, and have tried many ways of getting relief... but all in vain. Last month my son suggested I use Hy-PA-CIDS. With an air of "what can I lose?" I started taking them. Imagine my surprise when the first two tablets gave me the relief I was looking for. I enjoyed the first good night's sleep in months.
Thanks to Hy-PA-CIDS I have no fear of stomach distress any longer. I eat better... sleep better... and I really feel better.

HY-PA-CIDS TABLETS

Bring Help To Sufferers from Stomach Troubles

By the hundreds they tell us how Hy-PA-CIDS have been of real help for all sorts of stomach disorders. One man recently said for the first time in years he's been able to eat pie and pastry and fried foods where before taking Hy-PA-CIDS he had to choose his food carefully to avoid distress.

HY-PA-CIDS are specially compounded to soothe and protect the stomach walls against the action of hyperacidity which is the cause of many stomach disorders. Hy-PA-CIDS are not after-dinner mints—they bring noticeable relief almost at once—and often two or three packages correct the condition causing distress.

If your stomach bothers you—be sure to get HY-PA-CIDS Tablets today and get help—at your druggist's.

School Crowding Solution in Sight

LLOYDMINSTER, May 11.—Hon. W. Lloyd and Hon. Ivan Casey, ministers of education for Saskatchewan and Alberta, respectively, received first hand knowledge of the crowded conditions at Lloydminster public school yesterday.

They also learned the problems facing the teaching staff in attempting to give children here the type of education which is rightfully theirs.

The two ministers told a gathering of citizens assembled at a luncheon in their honor sponsored by the Board of Trade last night they would get together in the near future and see what their respective governments were able to do in solving the problem.

PRINCIPAL SPEAKS

Chester Avery, the principal of the school, put the master question before those assembled when he pointed out that the conditions at the school were not healthy, neither were they safe. Yet, he added, parents sent their children to school under those conditions to get the education which they were entitled to. He considered there was no problem in the town comparable to that facing the children.

He said during the two years of congested conditions the staff had done its best, but it had not been what it should have been in order to give the students a good start for tomorrow. Only loyalty on the part of the staff had kept them there during those conditions.

FORECASTS SOLUTION

Hon. Ivan Casey acknowledged the terrible conditions that are facing the school board here and after mentioning that Lloydminster was not alone with problems, pointed out that the building of the original school in 1906 was a problem to the planners, but he felt sure that with the assistance of the two governments and the town citizens the difficulties could be overcome. He promised the Hon. Lloyd and he would get together and see what could be done.

Hon. W. Lloyd stated that he was impressed with the conditions and difficulties and was impressed with the optimism and confidence shown locally that the problem would be solved. He recalled the local school problem that faced the town which had now been met and Lloydminster can now boast of one of the finest in the provinces.

PRIMES DISCUSSION
He added he was not in a position to smile and say when he could send a cheque and ask who to send it to but he also promised to discuss the situation with Hon. Mr. Casey and see what assistance could be given.

In giving a vote of thanks to the guests, Mr. George Skyring stated it was grand to see men who could rise above the political considerations as the two ministers had done to sit down and discuss problems with the idea of finding some method of solving them for the common good.

Jasper CGIT Winds Up Year With Banquet

JASPER, May 11.—"Sailing on the Sea of Life" with the mothers as captains and the girls as sailors, was the theme of the CGIT mother and daughter banquet, held on Saturday, May 7 in the United Church hall. Place cards in anchor design, and sailing ships in bronze and silver decorated the tables. Covers were laid for sixty-five.

The novel idea of "sail on the ocean wave" was carried on throughout the entire program with the Church depicted as the Light-house and Home as the Safe Harbor.

This was the closing function of the church group which has been very active throughout the year under the capable direction of Mrs. Q. D. Carr, Mrs. W. Webb and Mrs. W. Ruddy Jr.

Mrs. Barbara Olson was presented with a book in recognition of efficient work as senior president of the CGIT.

The competition is part of the overall barley improvement work being undertaken by the DBA.

Annual Lacombe Baby Show Draws Total of 40 Entries

LACOMBE, May 11.—Pink and blue colors, buttons and bows and cries and goos were all mixed up in a heap of happiness at the third Annual Baby Show in St. Cyprian's parish hall last Saturday afternoon.

Forty babies up to two years were dressed in their Sunday best for the occasion, and though they didn't all "take" to the pretty little dresses and suits, there wasn't one that didn't make a pleasing picture. The judges, as always, had a hard time reaching a decision.

FOUR AGE GROUPS

There were excellent prizes. The first prize babies in the four age groups each received a silver cup, the runners-up a fork, knife and spoon, and the third place winner a hairbrush set each.

The hall was crowded to capacity for the occasion, with mothers, relatives, as well as numerous visitors present.

Before the winners were announced, a Dutch auction was held with Mrs. Chas. Chapman on the stand calling the bids. Approximately \$70 was obtained. Pillows, made by Mrs. C. Lovell were sold.

Mrs. J. Sowerby and Mrs. H. Evans were in charge of refreshments, and the tea was poured by many members of the W.A. Judge of the baby show were Miss J. Haworth, Mrs. W. W. Grant and Mrs. W. A. Henry.

ORCHARDS ARE A FAIRYLAND of pink and white blossoms in the Niagara Peninsula of Ontario this week. Last Sunday was Blossom Sunday, and thousands of motorists crowded the highways to see such sights as

this peach tree in full bloom in a Grimsby orchard. Cherry, plum and apricot trees bore white blossoms, peach pink pastel, and magnolia ranged from pink to dark purple. As well, lilacs are in full bloom.

Inside Hollywood

HOLLYWOOD, (UP)—Up to now, the local cops and headwaters have put up with practically everything from the Hollywood natives without even blinking. But that was before someone turned a live actor loose on the Sunset "trip" with a gun.

The rat was real. And so was the commotion it caused whenever John Dali showed up with it. You'd think a mouse was meandering through the Alhambra the way the ladies scurry out of the way.

CAPTAINS NERVOUS
Haughty night club captains get nervous they forget to be valets. And movie-star customers, remembering the time an underworld gang crashed into Larry's restaurant and beat up a girl at the bar, begin to make noises about going home early.

"I always tell everybody I don't

sergeant. Then the cop just shrugged his shoulders and walked away. There's just one advantage to all this, the gal-totin' Dali reports. He always gets the best table in any joint.

"But that doesn't make up for the rest. I have blisters on my fingers from trying to spin it in a Dick Tracy. My hands are calloused from learning to fan the hammer."

NEARLY SERIOUS
"And on the very first lesson with real bullets I darn near blew my toe off."

Dali's getting a little sick of the whole deal. For one thing, it's hard on his Hollywood ego.

"We were shooting a back hold-up the other day," he explained. "The camera was hidden in a car and I was standing on the sidewalk with this blasted gun."

"Two bobby-owners walk up, look me over, and say: 'This is an advertisement for something.' I explained we were making a movie. They asked who the stars were, said Percy Cummins was the star and I was the lead. They wanted to know who I was."

And even after he told 'em, Dali reports a little badly, they didn't know him. But they knew Al Cummins.

Russian Troops Reported in Iran
LONDON, May 11.—(UP)—The newspaper Daily Herald reported today from Tehran that Russian troops had crossed the Iranian border near Astara and clashed with Iranian troops.

No source was given for the report.

DP Movement Sets New Record
GENEVA, May 11.—(Reuters)—The International Refugee Organization reported today it created a record in April by moving 20,000 displaced persons from camps in Germany and Austria to new homes in Canada and the United States, Australia and Brazil.

Old Marriage Is Annulled
BOULDER, Colo., May 11.—(UP)—Mrs. Elsie Holt has had her 31-year-old marriage annulled. District Judge H. Bradford, signing a decree ending the second marriage of Mrs. Holt when she said she had just discovered that her first husband, Samuel Covey, was still alive. She had married him 31 years ago, thinking Covey was dead.

Many Mennonite Families Return

Find Conditions Too Severe In New Homes in Paraguay

WINNIPEG, May 11.—(CP)—About half of the 1,700 Mennonites who moved to Paraguay last spring are likely to return to Canada and there is talk that the entire group might come back in time, a reliable source said last night.

This source said a party of slightly more than 30 Mennonites is scheduled to return from Paraguay by plane in a week and a half. Most of them who already have come back to Canada, they were reported to have found living conditions too severe in the South American country.

Youth Admits Killing Girl

ROANOK, Va., May 11.—(UP)—A 16-year-old high school wrestler who sang in his church choir was charged today with the pariah house murder of his pretty schoolmate, Bonnie Dana Weaver.

The tall, handsome youth, Lee Goode Scott, admitted the slaying to detectives last night after more than six hours of questioning. Police court Judge Samuel R. Price immediately swore out the murder warrant.

ANONYMOUS TIPSTER
The youth was held without bond.

Detectives said information from an anonymous telephone caller led them to question young Scott, senior at Jefferson high school here.

Dana Marie, 16, was beaten and choked to death in the parish house of Christ Episcopal Church Sunday night.

The motive for the slaying remained a mystery until Scott was slapped with fresh charges, which police believed Dana Marie might have lured while fighting for her life.

GIRL CUT, BRUISED
She was found Monday morning in the kitchen of the parish house, lying in a pool of blood. Her fingernails were torn and ragged, and she was covered with cuts and bruises. She was fully dressed and a coroner's examination revealed that she had not been raped.

Romance Ends For Traitors

COPENHAGEN, May 11.—(UP)—The romance of the traitors ended yesterday. Arvids Anna Lind listened behind bars of a prison cell as her one-legged husband was shot by a firing squad.

Four other Danish nazis were executed with Jørgen Lorenzen, who married Anna in Copenhagen police headquarters after she was released from a prison cell.

London Plans Big Port Job

LONDON, May 11.—(CP)—The huge Port of London is to get a £18,500,000 (\$74,000,000) face lifting.

In 44 miles of docks and port facilities still bear the scars of German bombs but plans are under way to bring the port back to its pre-war efficiency. It's going to be a big job and it's going to take a long time.

"The magnitude of this task may be inferred from the fact that the Port of London authority's damage claim has been agreed at £13,500,000. Sir John Anderson, the authority's head, reported. In addition, there are arrears of maintenance and dredging that will cost £5,000,000.

All this money will be poured back into re-development of the east canal lockage system cut by the banks of the Thames and known as the "Great Ouse."

It is estimated it will take "years" but just how many one will say.

Ontario May Miss Power Shortage

TORONTO, May 11.—(CP)—Premier Leslie Frost said last night that barring unforeseen developments Ontario's chances of getting through the next winter without a power shortage are good.

Collection Of Tax Arrears Improves

CALGARY, May 11.—(CP)—Collection of tax arrears in Calgary has improved for the first four months of 1949 compared to the same period in 1948. City Treasurer W. H. Partin disclosed today.

Of the \$244,477 collectable, the city has taken in \$83,966, he said. This represents 34.3 per cent compared with 28 per cent last year.

Brunlees to Head S.S. Athletic Club

Election of Gus Brunlees to the presidency and one-time NHL star Gordon Pettigrew's appointment as director of hockey featured the annual meeting of the South Side Athletic association held last night.

Brunlees succeeds Earl Graham in the No. 1 executive post. The new president was prominent in hockey, lacrosse and other sports in his playing days.

A BRILLIANT CAREER

Pettigrew, after a brilliant career as a junior pitcher with Regina, came to Edmonton in 1936, where he won 208, lost 106, and pitched 2,700 innings. He was a member of the 1936 Olympic team.

For the past two or three years Pettigrew has been working out of Edmonton. His executive duties of the South Side Athletic association are hopeful that under his guidance a new era is in the making for the young fellows who make the club their first and only hockey team.

Mickey Haefner Flashes Brilliant One-Hit Effort

Single by Larry Doby Only Blow Off Senator

NEW YORK, May 11.—(CP)—Rain blanketed the eastern United States yesterday and gave all National league clubs the day off. And as far as at least two American league players are concerned, the only trouble with the rain was that it didn't extend farther west.

Boudreau Picks 1949 Dream Team

CLEVELAND, May 11.—(AP)—For a press conference of writers from his school newspaper, manager Lou Boudreau of the world-champion Cleveland Indians yesterday picked a 1949 American league "dream team."

Three Runs

Yankees and Stobbs pitch for the two top contenders for the American league pennant, according to pre-season estimates. Both are power-packed clubs, and usually a pitcher who can count the runs against him on the fingers of one hand stands a fair chance of winning a game with a pitcher of such caliber on his side.

Stobbs' Trouble

Yesterday Gromek and Stobbs allowed three runs between them. Stobbs pitched a three-hitter against St. Louis, but he had a limited Washington Senators to a single in the fourth inning.

Haefner's Strike

Haefner didn't strike out a man, but the only Clevelanders on the basepaths since they beat three recipients of walks and a hit batsman were Washington's eighth strike.

Stobbs' Strike

A ninth-inning homer by Jerry Priddy broke up the dust between Stobbs and Red Emmer of the Browns. Ted Williams hit his sixth home run of the year to defeat the Red Sox off in the ninth.

Yankees Stretch Lead

New York Yankees stretched their American league lead to four games by drubbing the second-place Detroit Tigers 11-0.

LEARN TO PLAY GOLF WITH LOCAL PROS

The Bulletin's own "Learn to Play Golf" series will get underway in Thursday's editions. Featuring the ideas of the local pros, rather than those of some "outsider" series will consist of eight "lessons." Committed to open their particular 'bag of tricks' for the benefit of those readers interested in golf are Henry Martell (Highlands), Pete Olynyk (Mayfair), Bert Gee (Municipal) and Hugh Logan (Country Club).

Martell, Canadian amateur king in 1946 and a former holder of the Ontario and Alberta open titles, teases off tomorrow with an expose on the No. 2 iron.

Wheats ON SPORT

By STAN MOHEB, Sports Editor

"There Isn't Much To Choose . . ."

There's an ancient turf truism to the effect that "there isn't much to choose between good horses but what there is is very important."

And yesterday afternoon, while chatting with Neil Campbell about his speedy Pagan Star, we couldn't help but be reminded of it.

On his good days, particularly when not loaded down with the grandstand, this extraordinary western Canadian bred has run right along with some of the greatest handicap stars on the other side of the line.

Bye-bye . . . Why Alibi . . . Stepfather—this is the kind of stock Pagan Star has been asked to hook up with on west coast tracks. Naturally he didn't have things his own way too often, not against horses that ran close to world record time as do these.

But he had his moments.

There was that \$10,000 handicap victory at Sacramento. Then one day he topped the works at Hollywood Park, when the payoff was \$28 for a deuce.

Also one year the eight-year-old son of Jopagan-M'Lane was on the wrong end of three photo finishes that hurt, a pair at Longacres (Seattle), the other at Golden Gate in California.

He Has Some Class

So you see Pagan Star is the sort that isn't far off being a world champion.

A second here, three-quarters of a length there, some bad racing luck another time—these were all that stood in the way of many more triumphs in tough company.

But, as we tried to make out in the beginning, a second is like a minute when a field of razor-sharp, top-grade thoroughbreds come hurtling through the stretch. As owner Campbell remarked wryly: "Pagan Star finished fifth in a six-furlong sprint at Golden Gate one day. But you could have thrown a blanket over the first five horses as they hit the wire."

PAGAN STAR (9) WINNING AT HOLLYWOOD PARK

The winner set a new world record for the distance. So the man from Okotoks couldn't feel too miffed about the reverse.

Pagan Star was foaled on Campbell's ranch in southern Alberta in the spring of 1941. Right off the proud horseman sized up the little fellow as "another Joey", high praise indeed when one remembers the exploits on prairie and other tracks of the Toytown Express.

Actually Pagan Star has learned to run much faster than Joey ever did. Faster, too, than the Dichess of York and other prairie stars of an earlier era.

The Offers Have Been Good

Sharp horsemen have "come looking" for the son of Jopagan on a number of occasions.

Fattest offer Campbell ever received ran to \$30,000. Several more times would-be owners of the sleek black miler wanted to go as high as \$20,000. There's documentary evidence to substantiate same.

To this point Pagan Star has won just over \$47,000. He has been started 75 times in six seasons. ("I've never raced him very hard"), has been in the money 48 times, including 19 trips to the winner's enclosure.

Right now he looks full of run as trainer-owner Campbell supervises his morning workouts at the Exhibition half-mile. "He's still absolutely sound," is the way Campbell puts it.

Will Pagan Star get to start at the spring meeting, scheduled to get underway May 14.

"He will if they don't ask him to pack too much weight," his owner says. "I'm certainly not going to break him down just to amuse people."

...For Theirs Is A Beauty That Lives Forever

Rare double beauty was caught yesterday by the camera of staff photographer Eric Bland as he snapped lovely, young Evelyn Richardson of 9716 95 street in the grove

of prize-winning plum trees owned by David Airth of 9361 Camperon avenue. Mr. Airth was awarded several prizes last summer for the fruit produced by these

trees which broke forth into beautiful bloom this week. Miss Richardson is an employee of Edmonton's income tax office.

Lawrence Magee Committed On Bribe Attempt Charges

CITY YOUTH FINED FOR FIRING GUN

An Edmonton youth was fined \$15 in city court yesterday for firing an air-gun on 106 street.

The lad, who pleaded guilty to the offence, said he was trying to hit a barrel for target practice. "Why don't you get outside the city to some rifle range," demanded Magistrate A. I. Miller. "There you could shoot without danger to anyone."

No Coalition Gov't For Socreds—Low

Social Credit members of the House of Commons under no circumstances will form a coalition, Solon Low, federal leader of the party, told the Bulletin last night.

If either Conservatives or Liberals wished to form a government without a majority, Social Credit would support them as long as they did not introduce policies which were against Social Credit principles, he said.

While he did not wish to predict which party would win, Mr. Low said the secret of forthcoming elections probably would be Quebec and he thought Social Credit had a better chance of winning seats than the Conservatives in that province.

Social Credit was nominating 60 candidates in Quebec and only 10 in Ontario where it was thought there was a good chance of winning.

REDFORD, Ind., May 11.—(UPI)—Don Harrison got more for his money than usual when he put a dime and a nickel in a stamp vending machine at the Bedford post office. The machine issued 33 three-cent stamps.

Lawrence A. Magee, young Calgary insurance agent, will stand trial at the next Supreme Court on four charges of attempting to bribe members of the Alberta legislature.

Accused of offering \$1,000 to each of four M.L.A.'s for support of a private insurance bill through the assembly, Magee was committed from city court yesterday. Bail in sum of \$1,000 was allowed.

Magistrate Harold Hafford heard the final witness appearing for the Crown, W. S. Mackie (S.C. Stettin), allege that Magee offered him \$1,000 to sponsor the bill. "I met Magee in a Calgary hotel—I think on November 18," the grey-haired M.L.A. said. "He told me he was going to have an insurance company incorporated and asked if I would sponsor it."

"Mr. Magee went on to say that he told Magee he knew nothing about sponsoring such a bill and Magee replied, 'Well, there's \$1,000 in it for you if you do.'"

"I refused to have anything to do with it," concluded Mr. Mackie. Asked by the magistrate if he had anything to say in reply to the charges also involving Roy S. Lee (S.C. Taber), J. C. Landreou (S.C. Lethbridge) and Michael Pouch (S.C. Vegreville), Magee said "No."

Mrs. Isabelle Ferris and John Blackburn will co-operate with the Benevolent Fund in assisting ex-air force personnel in employment and housing problems.

Next meeting will be held Monday night at 8:00 p.m. at the RCAF Association in Memorial Hall.

COSTLY CROSSING FOR CITY MAN

Driving across a fire hose, when the Edmonton City Department are busy tackling a fire, just doesn't pay.

That's what Elmer Price, 13809 71 street, discovered yesterday when he appeared in city court accused of the offence.

"I was just following the traffic," he declared. "It cost him \$5 and costs."

Rail Inquest Is Adjourned

Dr. J. Melling, coroner of Wetaskiwin, said last night that a coroner's jury yesterday identified and released for burial bodies of three men, killed in the derailment of a Canadian Pacific Railway company passenger train near here Monday.

Dr. Melling said the inquest would be resumed May 18 when it is expected railway officials will have completed their investigation into cause of the derailment.

Engineer Harry Williams and fireman Reginald A. Upper, both of Edmonton, died in the twisted wreckage of their overturned locomotive while brakeman W. H. Maxwell, of Wilkie, Sask., later died in hospital from wounds.

When the locomotive jumped the tracks it carried with it a steel express car, a refrigerator car and a day coach but the train on the tracks a day coach, a diner and two sleeping cars. None of the 49 passengers in the sleeping cars were injured.

The track was cleared and traffic resumed yesterday afternoon. Four other persons, injured in the wreck, are still in hospital but they are reported progressing favorably.

Cosmos Plan Mammoth Bingo

Over \$750 in prizes will be awarded at a mammoth bingo to be held by members of the Cosmopolitan Club May 18.

Plans for the bingo crystallized at a regular meeting last night, when it was decided to hold the bingo in the Trocadero ball room, proceeds to go to the Roy Sical building fund. A start has been made already in moving the building from its present location to 122 street and 109 avenue.

"Ted Flanagan is chairman of the committee in charge of the bingo."

Millstone is a parallel green shrub which grows hanging from various trees.

City Man Fined On Morals Charge

Stephen Clehon of North Edmonton yesterday was fined \$50 and costs when convicted of contributing to juvenile delinquency.

Trial which was continued from last week featured a long legal wrangle as to whether or not a five-month-old child could be made delinquent.

Accused had pleaded not guilty.

Man Remanded

Richard H. Cashlock who appeared in police court yesterday to face seven charges of false pretences and forged retained piece and was remanded to May 18 for trial, his bail was set at \$3,000.

Bird Life Threatened

Game Association Ire Is Aroused by Poachers

By Dick Heidous

How to prevent out-of-season shooting of upland game birds and ducks is the \$64 question confronting members of the Edmonton Fish and Game Association.

Reports from several districts in northern Alberta indicate that this spring is no different from any other in neglect of game laws—teen age boys with 22 rifles and thoughtless adults continue to plunder upland game and ducks. And the tragedy of the situation is that it has existed for many years.

Among the areas where out-of-season hunting has been reported are Camrose, Red Deer, Wainwright, and Edmonton. And league officials are certain it goes on wherever boys' night along the barrel of a 22 rifle.

C. E. (Bud) Brown, immediate past president of the Edmonton Fish and Game League and chairman of the upland game committee of the Alberta Fish and Game League, stated recently "our viewpoint toward upland game has changed."

Said he: "If we poach upon game birds, chickens, partridges, quails, and grouse now we will cut our throat for plentiful hunting in the future. These birds are native to Alberta and if we kill them present now we have no hope of their numbers being replenished by migration."

As a rule, according to Brown, you can count on a loss of 10 birds in the fall when one is shot in the spring. In the case of the prairie grouse, the loss is even more likely in the 12 to 13.

Everybody knows what the problem is but little is being done to correct it. Local fish and game authorities have attempted to educate people but they have reached only a small percentage of the population.

Latest reports coming from R. E. Forland, Alberta's superintendent of game, declare that no one has been prosecuted for out-of-season shooting in northern Alberta this year.

But everyone admits that the offence is being committed with reckless abandon throughout this territory.

One solution to the problem would be the registration of all firearms. This policy is followed in British Columbia and no serious out-of-season hunting is prevalent there. However, in this province poachers and revolvers are the only firearms requiring compulsory registration.

Since licenses are not required here for such weapons as 22s or .24s, a great deal of hunting goes on in the forests and in the mountains. Many people would risk being caught with a gun which they didn't own, authorities say.

Conflict of the weapon pool is a stiff fine would get out of it this law and prevent one person from borrowing another's gun.

This method of controlling out-of-season hunting has been suggested many times by the Edmonton Fish and Game group. However, it has never been adopted with a majority of hunters because they feel compulsory firearm registration would tramp out all liberties. Therefore, no organized group of sportsmen has petitioned the Alberta government for such a law and out-of-season shooting remains rampant as ever.

Friday afternoon, Mr. Wilson will arrive here by air from Regina and will remain until Sunday, when he leaves by air for Vancouver. His itinerary after Halifax will be: Saint John, Ottawa, Toronto, Fort William, Winnipeg, Regina, Edmonton, Vancouver, Montreal and Quebec, he will then return to Toronto for the International Trade Fair which opens May 22.

Mr. Young is also making arrangements for a visit of agricultural students to Edmonton May 22. Invited to Canada by resolution of the Canadian Federation of Agriculture, the party will be led by E. N. Geddis, president of the Agricultural Engineering Association of Great Britain, and chairman of History House Ltd., East Hordown, Essex.

Trade Board President Here On May 20

Mr. Hon. Harold Wilson, president of the United Kingdom Board of Trade, will visit Edmonton May 20 to 22.

On a fact finding mission, the British cabinet minister and party expected to arrive at Halifax today.

This is the first time an important trade mission headed by a British cabinet minister has come this far west in Canada.

Purpose of his visit is to discuss trade with persons on the spot rather than to negotiate agreements, according to Peter Young, British Canadian Commissioner, Vancouver, who is in the city to discuss arrangements.

Mr. Wilson will be accompanied by Mrs. Barbara Castle, parliamentary secretary, Kenneth MacGregor, under secretary of the Board of Trade, R. Keith Young, Senior Trade Commissioner, and C. M. Brown, principal secretary. A general secretary and a press officer will also be in the party.

Friday afternoon, Mr. Wilson will arrive here by air from Regina and will remain until Sunday, when he leaves by air for Vancouver.

His itinerary after Halifax will be: Saint John, Ottawa, Toronto, Fort William, Winnipeg, Regina, Edmonton, Vancouver, Montreal and Quebec, he will then return to Toronto for the International Trade Fair which opens May 22.

FROM CALIFORNIA SUNSHINE to Alberta sunshine, Mrs. Fredric Sherman and her small daughter, Susan have returned to Edmonton after living for the past four years in San Francisco. Mr. Sherman, who is studying in California, will be back in two months.

Annual Party by University Alumni For Graduating Students To Be Monday

One of the major highlights of Convocation week at the University of Alberta will be the annual banquet in Athabasca hall, when members of the University Alumni Association will be hosts.

Semi-formal affair will be held Monday at 7 p.m. Toastmaster will be B. W. Pittfield, president of the Alumni Association.

At Rev. Ferdinand Vandray, rector of Laval University, will be the guest speaker.

Toast to the University will be proposed by Miss Manette Fortier, vice-president of the senior class, and the reply will be given by Dr. Robert Newton.

Class of '40 will be toasted by Mrs. Sophie McCloy.

Mrs. Sophie McCloy was presented with an Honorary Membership Certificate at the regular meeting of the Queen of Alberta Lodge No. 808, held recently in the Eastwood Community Hall.

The award, which commemorates 50 years service in the lodge, was presented by Worthy Mistress A. Cunningham, assisted by the Director of Ceremonies, Mrs. D. Brown.

Report of the Grand Lodge session held in March was given by Mrs. J. Robertson. Grand Lodge honors were given to Mrs. O. Wilton and Mrs. A. Treasurer.

Graduation ceremonies in Convocation hall, University campus, will mark the end of three years training for 42 student nurses of the School of Nursing of the University of Alberta. Exercises will take place May 16 at 8 p.m. Three of the nurses, Miss Joyce Albers, Miss Margaret Othen and Miss Irene Ridley are students of the Provincial Mental Hospital at Ponoka, which is affiliated with the University school of nursing. They

will receive their diplomas in graduation exercises at Ponoka May 27. Less formal celebration will take the form of a reception following the graduation exercises, a mother and daughter tea, luncheon, dinners and coffee parties arranged for the graduating nurses.

Memorial Award Given To Janet McDougall

Edith P. Wilson memorial award for general proficiency at the Royal Alexandra Hospital was won by Janet McDougall. This was announced at the May meeting of the Women's Auxiliary of the hospital which donated the award.

Two new members Mrs. L. E. Balson and Mrs. Walter Clouston were introduced by Mrs. W. W. Wade, membership chairman.

Mrs. Roy Lamberton reported on her work in the chronic annex and stated that tobacco, cigarettes, candy and cookies and novelty items were made by the

Brownies of Robertson Church had been distributed at Easter. She was assisted by Mrs. D. Carter and Mrs. T. R. Blaine. It was reported that donations for the annex had been received from friends.

Mrs. John Steele Smith reported that she had sent flowers to sick members during April, while Mrs. J. Bartleman reported that additional had been made in the Kinsland Anderson memorial fund.

It was reported by Mrs. T. R. Clark who is in charge of hospital members of Beta Sigma Phi society had made baby garments during the month. They have been added to the supply kept on

hand at the hospital for emergencies. It was announced that special plans are underway for fall activities since this will be the 40th anniversary of the women's auxiliary.

Since several requests have been received for comforters for the annex and children's wards the matter will be discussed at the June meeting. Gifts at the June meeting will be staff nurses and Janet McDougall.

Mrs. John Oliver, president, presided at the meeting held in the nurses' home. A social hour was held following the meeting when Mrs. L. E.

McManus presided at the tea. She was assisted by Mrs. H. J. Merrick and Mrs. J. C. E. Miller. Miss Margaret Fraser and Miss Hamilton attended the social hour.

Attending the bride was Miss Mary Wilson who was known as a long-haired, tall, blonde, and blonde length models of the latest fashion, and a natural beauty of spring flowers, completed her costume.

Next man was Dr. Harry Richardson, brother of the bridegroom, and Dr. Walter Hattick, organist was a Newcomer and during the singing of the wedding hymns, the bridegroom's cousin, Ralph Richardson, sang "Through the Years".

For her daughter's wedding, Mrs. Mitchell chose a navy printed dress with cream straw hat and white

Mary Patricia Mitchell Exchanges Vows With Lt. Leon Arkle Richardson

Baskets of snapdragons and tulips decorated First Presbyterian Church one evening recently when Mary Patricia Mitchell exchanged marriage vows with Lt. Leon Arkle Richardson, RCDC.

Rev. Dr. Thomas Murphy officiated at the ceremony which united the daughter of Mr. and Mrs. James Mitchell, and the son of Mr. and Mrs. J. W. Richardson, all of Edmonton.

Traditional wedding gown of white satin was chosen by the bride who was given in marriage by her father. It was styled with a net yoke and long sleeves and the train length skirt was gathered to a black bustle.

A beaded crown caught the bride's finger-tip veil to her head and she wore a single strand of pearls. Spring flowers comprised the bride's bouquet.

For her daughter's wedding, Mrs. Mitchell chose a navy printed dress with cream straw hat and white

couplets. Pink roses completed her costume. A two-tier wedding cake centered the table, which was decorated with streamers and wedding bells. More than 120 friends called to congratulate them on the occasion of their golden wedding.

The bridegroom is a member of the 1940 class in dentistry of the University of Alberta.

Couple Wed Fifty Years

Fifty years of marriage were celebrated recently by Mr. and Mrs. Ira Kimball of Edmonton. More than 120 friends called to congratulate them on the occasion of their golden wedding.

A two-tier wedding cake centered the table which was decorated with streamers and wedding bells. Presentation to the couple of a half of family and friends was made by Don Paves.

Farm dinner attended by 24 was held last.

Mark wedding ceremony was held later in the evening. Fred Haman made a presentation to the couple on behalf of the 1916 Farmers' Association.

Mr. and Mrs. Kimball were married in Nebraska and came to the Edmonton district in 1914, where they farmed until 1920 when they moved into town. They have one son, Ivan, and one daughter, Mrs. Tom Jackson. There are eight grandchildren and three great-grandchildren.
